This year's cover drawing is from a scene in last year's 56-55 victory over Rockhurst. The win clinched a play-off spot for the Avalanche. The drawing was done by Joann Johnson.

The 1981-82 Avila Basketball Program was produced by Nancy Burnor, Lori Slyter, and Mark Johnson of the Sports Information Department.

Sister Olive Louise
Avila President

Welcome from Sister Olive Louise

Each new season gives us a fresh start! A hearty "welcome back" to the team members who have brought renown to Avila by their fine sense of play and sportsmanship. You set the pace for the new recruits. The Avila Community is proud of our male and female athletes.

A grateful "thank you" to the coaches, and all who make each athletic event a special occasion for spirited camaraderie. A special "welcome and come again!" to each of our patrons who help us to support an important part of college life. We are grateful.

Sincerely,

Sister Olive Louise

Athletic Program Grows

Avila's athletic program is continuing to grow each year. The most important factors responsible for our success have been the enthusiastic, on-going support and encouragement our athletic programs have received from our supporters.

On behalf of the entire athletic staff I would like to welcome you and thank you for your continuous support and appreciation of our athletic programs.

Sincerely,

Lynn Cupkie

Head Coach

Bill Waris
Head Coach

Bill Waris

Bill Waris, Avila's only head coach in all of its history, enters his eighth season with a lifetime record of 113-86.

In the 1980-81 campaign, the Avalanche defeated Drury twice and upset nationally-ranked Rockhurst, making that win the biggest in Avila's basketball history. This led them to their best finish ever — 18-10.

Besides his coaching duties at Mabee Fieldhouse, Waris is the President of the Jackson County Legislature. He earned his Master's Degree in Education from Central Missouri State University after graduating from Creighton University in Omaha, and is currently the principal of St. Thomas Moore School.

Only a few blocks from the Avila campus, Bill resides with his wife Patty and their children — Kathleen, Timmy, Mary Christine, and Anne.

Avalanche Team Preview

Quickness and shooting will be strong points for Avila's men's basketball team this year. In fact, Coach Bill Waris feels this year's squad is probably the quickest and best shooting in Avila's basketball history.

Last year's team recorded an 18-10 record. Included in these 18 wins were victories over Drury and Rockhurst.

This year in the back court the Avalanche return all their guards and add Mike Davis. Returning guards include Darrek Porter, Bob Harbin, Scott Friedman, and Ted Melton.

Last year Porter developed into one of the top defensive guards in the Kansas City area. Teaming with Porter will be the hot shooting Harbin and much improved Friedman. Melton will provide bench strength and Davis figures to see a lot of playing time at the point guard position.

On the front line, the Avalanche return five players from last season and add one newcomer. The five returnees include Baxter Jones, Marvin Sellers, Mark Hatchett, Fred Haney, and Anthony Christian.

Jones was the key player in Avila's success last year. His performance earned him All-District 16 First Team Honors. Alongside Jones will be Hatchett, another All-District player, despite missing ten games because of an injury. In the middle will be Fred Haney. Adding depth to the front line will be Sellers, Christian, and newcomer Ralph Burton, who has been moved to the front line from the backcourt.

With strong shooting from the guards like last year, and an injury free season for Mark Hatchett, this could be the year the Avalanche makes it to the top.

SCOTT FRIEDMAN

No. 10 Guard So.

Scott returns to Avila this year as probably the most improved player from last season. The 6'0" guard is an excellent shooter as well as a fine passer.

"Frieds" played high school ball at Kenston High School in Cleveland. His basketball skills have enabled him to attend Avila majoring in business. His other interests lie in golf, bowling and watching other college sports.

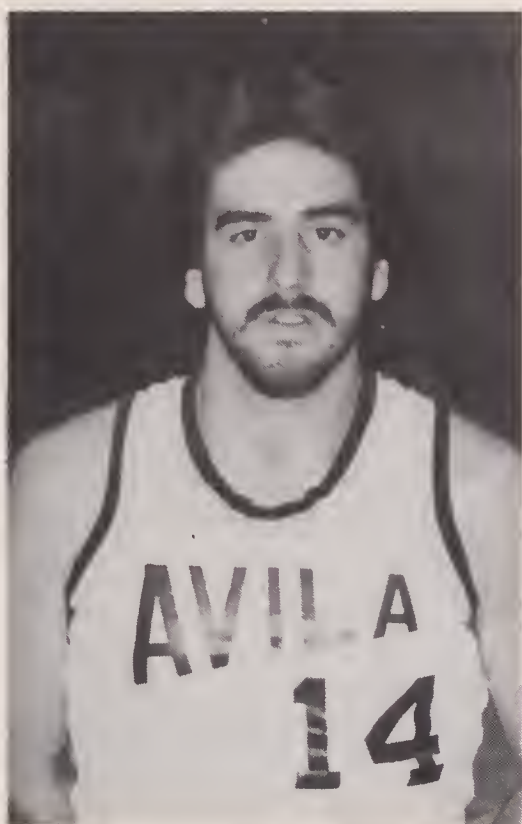

MIKE DAVIS

No. 12 Guard Sr.

Mike comes to Avila from Moberly Junior College where he made the All-Conference Team in his sophomore year. He is an excellent point guard who is expected to see a lot of action.

"Micky D" will be a real asset to the team with his competitive spirit. He handles the ball well and doesn't make a lot of mistakes.

Mike's other interests are in tennis and golf. He enjoys the feeling of achievement he gets from basketball.

BOB HARBIN

No. 14 Guard Sr.

This 6'0" native Kansas Citian had his biggest game for the Avalanche last year when he made three 25-foot shots in the early minutes of a game against Rockhurst. Avila went on to upset Rockhurst 56-53.

His strong outside shooting ability earned him a starting role last year. When Bob Harbin is hot, he is one of the best shooters in the area.

DARREK PORTER

No. 20 Guard Sr.

Last year during mid season, Darrek turned the Avalanche around from the point guard position by becoming one of the top defensive guards in the area. Playing as a key player, he did a great job, and contributed much to the team's leadership.

"DP" is a 6'3" 180 pound guard majoring in Political Science. He plays basketball "for the excitement of competition and the challenge to achieve the goals you set as a player and as a team."

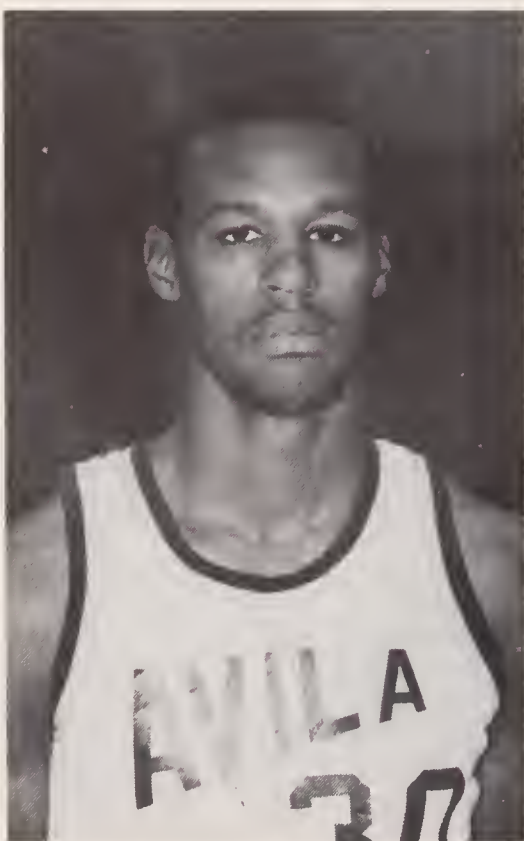

RALPH BURTON

No. 24 Forward So.

Ralph comes to Avila from Cuyahoga Community College in Ohio. While attending Cuyahoga, Ralph received the Most Valuable Player award. This year Ralph will be moving from the back court to the forward line learning a new position.

In his spare time, Ralph enjoys listening to good music and social events. This 6'3" - 175 pound forward is majoring in recreation.

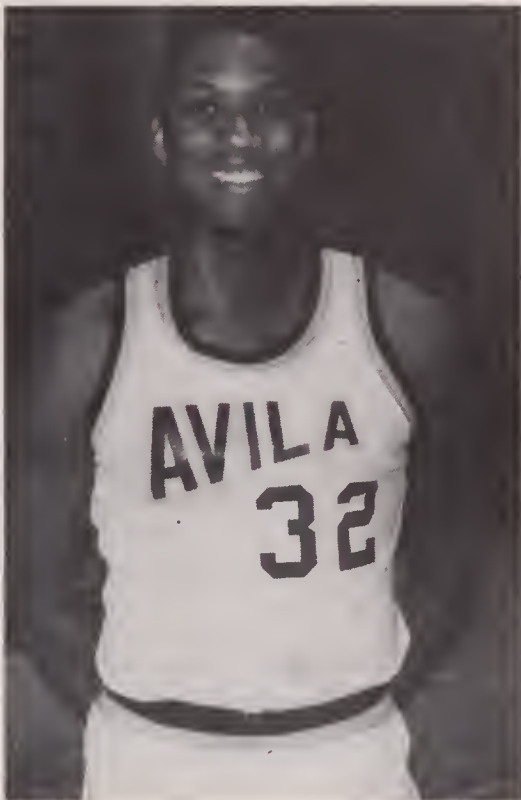

MARK HATCHETT

No. 30 Forward Sr.

Despite a badly sprained ankle last year causing him to miss almost ten games, Mark made the Honorable Mention All-District 16 squad.

Playing basketball because it's in his blood, Hatch's 6'5" 205 pound frame needs to stay healthy to help keep the Avalanche going strong.

Mark is a dedicated student and athlete spending long hours in both endeavors.

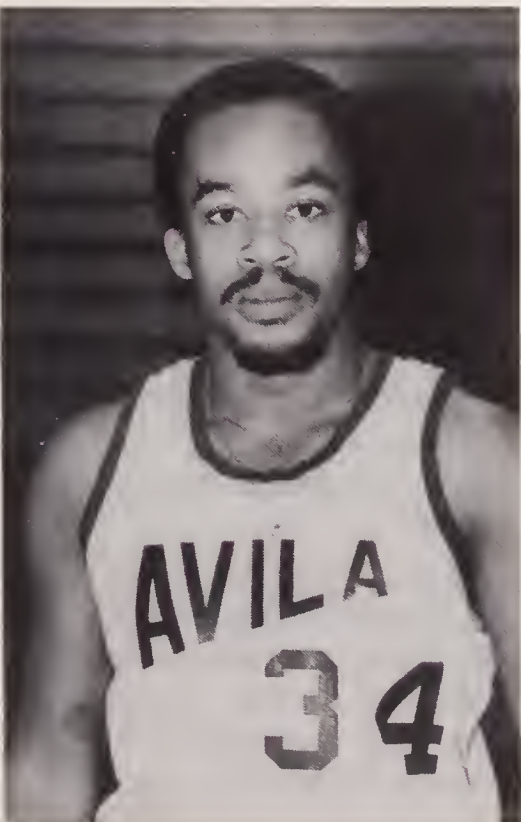

MARVIN SELLERS

No. 32 Forward Jr.

Coach Bill Waris expects big things from Marvin this season. He says he's an aggressive inside player who runs good with the ball. Marvin is likely to see time at the forward and center positions this year.

"Magic," a 6'5" - 205 pound Business major, enjoys baseball, ping pong, and pool, along with listening to good music and reading true-to-life stories about famous people.

TED MELTON

No. 34 Guard Sr.

"T-Bone" is one of Avila's most reliable providing strong bench strength according to Coach Waris.

Ted is best known for his quick moves and his ability to drive down the middle to the basket.

Not only does this 5'9" guard contribute to the Avalanche's success by his athletic ability, but he also helps develop and contributes to the team's winning attitude and their leadership.

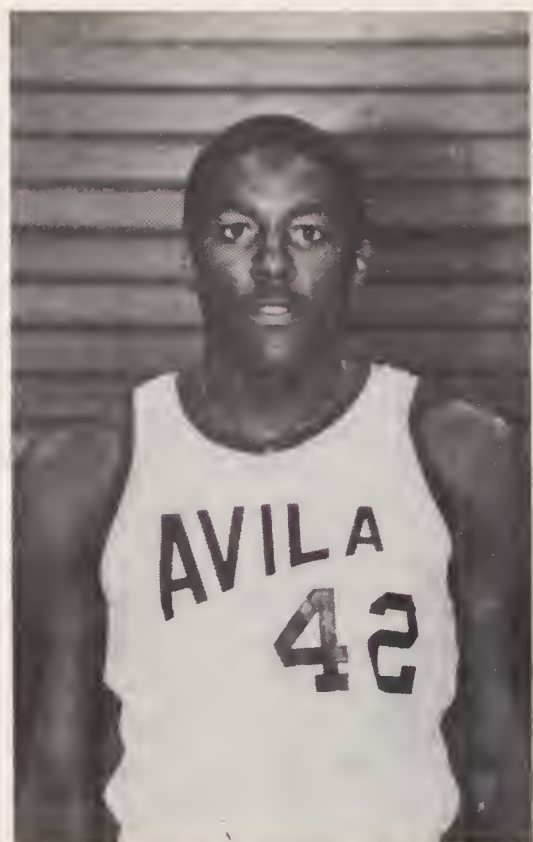

FRED HANEY

No. 40 Center Sr.

Fred is a diamond in the rough; how far he develops as a player depends on him. His great jumping ability has made him Avila's most prolific shot-blocker in recent history.

The 6'7" senior will see much time at the center position. If motivated, he is likely to become one of the team's strongest players.

Playing basketball is an enjoyment to "G" plus a help in attending Avila, majoring in recreation.

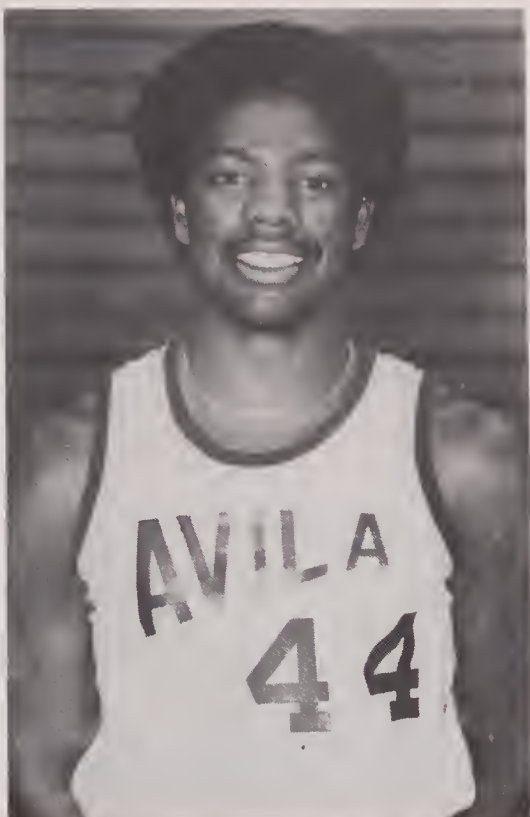

ANTHONY CHRISTIAN

No. 42 Forward Jr.

Andy is one of Avila's finest natural athletes starring in soccer and in basketball. Christian should add some much needed depth on Avila's front line.

He came to Avila from Antigua in the West Indies where he achieved numerous athletic honors in his country.

This 6'3" forward is majoring in Business Administration. He enjoys playing sports because it's a good way to meet other people from other places and it is a great learning experience.

BAXTER JONES

No. 44 Guard/
Forward Sr.

Baxter had an outstanding year last season as a strong all-around player. His impressive performance earned him All-District-16 First Team honors.

In the 6'4" swingman role, Baxter will play an important part in the Avalanche's success, helping also to promote team leadership. Playing in a summer league has also helped him earn respect from both his own teammates as well as his opponents.

This year's Avalanche Basketball Team wishes to thank you for your continued support during the 1981-82 season.

1981-1982 Avila Roster

1981-82 MEN'S BASKETBALL TEAM (L to R) — Ted Melton, Scott Friedman, Mike Davis, Darrek Porter, Baxter Jones, Mark Hatchett, Fred Haney, Marvin Sellers, Ralph Burton, Andy Christian, Gerald Martin, and Bob Harbin.

Design

Type

Layout and design are one of the many services offered to our customers.

If you have an idea of what you want, but just can't express it on paper, come in and talk to our Graphic Artist. We can help you design your logo or letterhead, create a brochure for mailing, or select the best paper color and ink.

Your printing can be unique and interesting with **Quality** design and art from our creative department.

Printing

Quality Speed Print offers you the best of both worlds — the convenience of a quick printer and the quality of a commercial shop. **Quality** offers you fine printing at a very reasonable cost, from business letterheads to full process color.

Those who need their printing done "yesterday" can count on **Quality** to be fast and efficient. Small jobs can be done on the same day that they are brought into the office . . . while you wait.

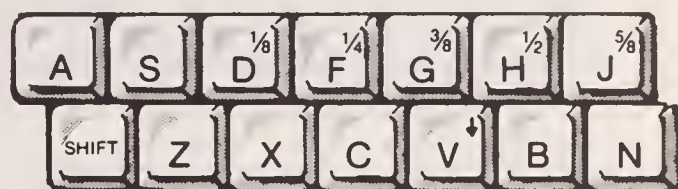

Quality can handle large volume, and special printing jobs with ease; duotones, embossing, and a hairline registration are no problem for our skilled pressmen.

Quality Speed Print is dedicated to upholding our tradition of excellence in printing and customer service. Phototypesetting, design, layout, paste-up, and pick-up and delivery services are all offered for the convenience of our customers.

Quality Speed Print features phototypesetting with 59 carefully selected faces. Our catalogue of type ranges from elegant Helanna Script, suitable for wedding invitations, to the decisive Lubalin Graph Bold for eye catching headlines.

Every font is available in any size from 5½ point to 72 point. In addition, our phototypesetter is equipped with a memory function for faster, easier corrections.

Try using display faces to call attention to an important point in your copy, or make your message look really special. Typesetting is a fast, easy method of giving any job a professional appearance.

Art Work

Are you tired of just plain old type? Why not jazz-up your printing with graphics and art.

Our logos are guaranteed to catch the eye when used on your business card or letterhead, and a well designed and illustrated brochure is a pleasure for your customers to read. Our staff artist will work with you to achieve just the printing effect you desire.

Making your printing look good makes us look good. Don't hesitate to ask for our expert assistance.

ATHLETICS AND ACADEMICS AT AVILA

Avila College is an institution committed to the academic integrity of each program and student. Moreover, Avila has purposefully developed athletic programs that emphasize the importance of academics to the student-athlete; the main thrust of which, is to ensure that a student-athlete completes his/her degree program. Academic advising, counseling, tutorial assistance, and frequent monitoring of student-athlete's progress are all aids used to effect graduation. Avila is proud of its record in these areas to-date and intends to continue this process in the future. At Avila College, engaging in athletic competition, must be in concert with pursuing of an academic degree.
